

Brother against brother. Father against son. Son against father. It was a war that was anything but "civil". Wars are inevitable. What if we could learn to fight fair? What if we could wage civil wars?

Civil Wars Pt. 2 - The Art of War

Text: 2 Kings 6:8-14; 18-23, 2 Samuel 2:17-23; 3:1;
12-14, 23, 27, 32

1. _____ before you _____!
We have _____ ourselves that God is _____
with who we are upset with.
2. _____ rather than _____!
The only thing more deadly and imprisoning than an
offense is a _____ offense.

Forgiveness is how God _____ our pain
so that we don't _____ our pain.
